SHARED BY YOUR COUNSELLOR

Managing money on your own, perhaps for the first time.

Your counsellor thought it might help to have someone steady on the money side. Truffle Wealth is a small Bengaluru practice that helps families invest in mutual funds, calmly and for the long run.

Where we can help

Your partner always handled the investments.

You need a clear picture of what's in your name.

You want to set things up your own way.

How we work

We stay in our lane.
Mutual funds only. Legal and personal matters stay with your lawyer and counsellor.

You pay us no fee.
Fund houses pay us a commission on regular plans. Every scheme also has a direct plan with lower costs.

No pressure.
The first conversation takes 45 minutes. If we're not the right fit, we'll say so.

Confidential.
What you tell us stays with us. We involve others only with your consent.
